Northern Lights: Manufactories & Design.

Apply now for the promotional area.

The “Northern Lights: Manufactories & Design” area offers up-and-coming designers and manufactories the chance to advertise themselves on a professional platform. Here over the three days of the fair you’ll come into contact – and do business – with dealers from all over Northern Germany and Scandinavia. Benefit from a reduced-price complete stand package and present your products to a large trade audience.

Nordstil showcases a diverse offer from the following product areas:

Style & Design
Gifts & Stationery

Home & Garden
Jewellery & Fashion

Complete stand package for only € 803.00*

- 1 side open stand, around 9–10 square metres
- Stand construction including lighting, signage and presentation platforms
- Electricity connection including consumption (2 kW)
- Two exhibitor passes
- Standard catalogue entry and standard entry in the online exhibitor database

* Excluding VAT and AUMA contribution (€0.60/sqm). This offer is valid for one participant and only for companies selected by the independent curator. Subletting is not permitted. The sharing of a stand is only possible if all parties have registered and furthermore dependent on availability.

After the deadline for applications on 30.9.2018, an independent curator will select the participants from all applicants. You will be informed as soon as possible whether you have been chosen to be part of the “Northern Lights” in January 2019. The application form and link to the official registration can be found at:
