Nordstil: Many new exhibitors across all segments

Frankfurt am Main, June 2024: From 27 to 29 July, a wealth of new exhibitors from all product segments will be presenting themselves at Nordstil in Hamburg, bringing to the stage everything that makes life more pleasant, the home and garden more beautiful and gift-giving even more enjoyable. Sustainability is a strong theme everywhere. These exhibitors are new this summer.

In **Home & Garden** in Halls A1 and A4, the home accessories from dennismaass combine timeless design with innovative and sustainable production. For the first time, R.O.D.E.W.A.L.D. Design, Passage BCN with the Cheerful Candle brand and P4M with the brands 24 Bottles, The Gift Label, PF Candle and Wouf will also be presenting what makes the home even more beautiful. New exhibitors from Scandinavia will have a strong presence: the Swedish Mind on Nature will be showcasing home accessories with a focus on sustainability and quality. Ingvar Strandhs Blomsterskola with the Hanataba Original brand will be presenting DIY tools for artistic yet simple flower arrangements.

Jakobsdals and Klässbols Linneväveri as well as Cooee Design will be creating a cosy atmosphere at the **Style & Design** Halls A3 and A4. Everything that the Latvian label Munio Spa has in its luggage is about fragrances. Muurla from Finland presents gift ideas and design items for the table. The children's toys from fabelab are made with sustainability and lots of love. Pluto Design brings seasonal ranges and decorative items in retro design from Sweden. The traditional Dutch company Royal Tableware will be presenting fine porcelain. Heinen Delftware Trading reinterprets Delft Blue with a dash of humour and plenty of witty animal motifs.

Hall B1 will be home to everything to do with **Kitchen & Gourmet** on two floors: the family business Wollenhaupt Tee from Reinbek near Hamburg (Germany), rich in tradition, will be presenting fairly produced tea specialities. First-time exhibitor Olfs Spize Foods will be bringing some delicious spiciness in the form of hot vegan chilli sauces made in Altona (Hamburg). Also homemade are the crunchy granolas from Barni & Wilma from the Lower Rhine region. Three wineries, including Kloster Eberbach from the Rheingau (Germany), will be present at the Buddelhelden area for the first time.

Gifts & Stationery await retailers in Halls B1.EG and B2.EG: BacktoBasix will be bringing along stationery brands from Pepa Lani and Relax Mama, as well as home and lifestyle products from the Kitsch Kitchen brand from Amsterdam, which has recently been added to the portfolio. The Ligarti label returns to Nordstil with enchanting animal worlds on paper, enamel and textiles. Other prominent returnees such as HABA and Carletto will enchant visitors with high-quality toys for children.

Those who love **Jewellery & Fashion** will get their money's worth in halls B3.EG and B4.EG: for the first time, jewellery from the Kiki label of the Complot concept store from Venray in the Netherlands will be glittering at Nordstil. The barefoot shoes from new exhibitor Leguano combine style and comfort. All exhibitors can be found in the [product and exhibitor search](#).
