

## Nordstil Winter 2025: Have you thought of everything?

Dear xxx,

We are looking forward to meeting you at the upcoming Nordstil! To make sure you are ideally prepared for your trade fair appearance, we would like to provide you once again with important information about our services and deadlines:

### **It pays to order early!**

Please note the deadlines in our [Shop for Exhibitor Services](#) so that you do not face any additional costs.

### **Order tickets and vouchers for you and your business partners now**

You can now create your set-up and dismantling tickets as well as exhibitor tickets via the [Ticket Services for Exhibitors](#). We also offer you an unlimited number of free vouchers to invite your business partners. If you have any questions, our colleagues will be happy to help you at [etickets@messefrankfurt.com](mailto:etickets@messefrankfurt.com) or by telephone on +49 69 7575 5151.

### **Friendly Reminder: Your stand rental invoice**

Please remember to pay your stand rental invoice before the start of the fair.

### **Please submit construction plans**

To ensure that you can implement your stand construction without delays, please send your stand construction plans for structures requiring approval (from a height of 4.00m and from a height of >3.4m if they are located in Halls B1-B4 at the sides of the hall) to [ops@hamburg-messe.de](mailto:ops@hamburg-messe.de) (+49 40 3569-2528) by **06.12.2024**.

Permission no longer needs to be obtained from the neighbouring stand. Please register the use of candles and tea lights (only behind glass or in lanterns) with [ops@hamburg-messe.de](mailto:ops@hamburg-messe.de) in advance.

You can receive the TopFair magazine digitally from 18 December. Click [here](#) to download.

### **Catering by Käfer**

During the set-up phase, we have opened the Harbour Light restaurant for you. You can find all the restaurants that are open during the trade fair online via the [Foodmap](#). Free water dispensers will also be available during the trade fair.
